

Dear Employer,

Thank you for choosing Starmark®. Below is a temporary ID card for your covered employees to use until your group's permanent ID cards are available.

Permanent ID cards will be mailed directly to each employee's home within seven to 10 business days. Once the permanent ID card is received, please remind your employees to replace the temporary ID card with the permanent card. This is an important step to help minimize any confusion when they seek healthcare services.

Should you have any questions, please feel free to contact your Starmark Sales Representative.

Sincerely,

New Business
